

# CONTENTS

## *JOURNAL OF THE JAPAN WELDING SOCIETY*

**Vol.75 No.1 January 2006**

---

Foreword .....	USIO Masao	3
Engineering Data Sheet .....	SASAKI Kiyohito	4
<b>Technical Information — Special Issue —</b>		
<b>Current Global State and JWS's Future Tasks Concerning Higher Education in Welding Engineering</b>		
A Preface .....	{ NAKATA Kazuhiro SAIDA Kazuyoshi ITO Yoshiyasu	5
<b>[ Part I ] A Long-term View of Higher Education in Welding Engineering for The Young</b>		
History, Present and Future of Education for Welding Engineering in University —In the case of Faculty of Engineering in Osaka University— .....	NISHIMOTO Kazutoshi	6
Education of Welding Engineering in Joining and Welding Research Institute, Osaka University .....	IKEUCHI Kenji	13
History of the Curriculum on Welding Engineering at Tohoku University .....	KOKAWA Hiroyuki	17
Education on Manufacturing and Welding Technology in Okinawa National College of Technology .....	MANABE Yukio	21
Education and Training in Japan Welding & Structure College .....	IRIE Hirosada	27
Education and Training of Welding Related Technology in Technical High School .....	KANEKO Hajime	30
<b>[ Part II ] Current Status and Prospects of Higher Education of Welding Engineering in Overseas Institutions and Universities</b>		
Welding Engineering Education at The Ohio State University .....	John C. Lippold	33
Current State and Future of Welding Education .....	U. Dilthey	36
Sequence of the Welding Engineering Education at Graz, University of Technology .....	Horst Cerjak	38
History and Status of Welding Engineering at Harbin Institute of Technology .....	FENG Jicai	40
<b>[ Part III ] Cases of Welding Engineering Education by JWS for Engineers</b>		
Summer College of Welding Engineering in Osaka University .....	HIROSE Akio	45
Welding Seminar at JWS Tohbu Branch .....	{ TSUKAMOTO Susumu YASUDA Koichi	48
IIW Alternative Route of Welding Personnel in Japan .....	HIRATA Yoshinori	50
<b>[ Part IV ] Requests of Industry to Universities for Welding Engineering Education</b>		
A Suggestion on Education and Technology Transfer of Welding and Joining .....	HATTORI Shigeo	81
Requests to Universities and Advice to Students .....	{ KASUYA Tadashi, MICHIBA Koji KITAGAWA Akikazu, KOSHIISHI Fusaki IKEGAMI Yu-ichi, INOUE Yoshiaki YUUKI Masahiro, SATOH Toyoyuki	83
Welding is Interesting After All .....	OHNAWA Toshio	90
<b>WELNET for Young Members</b> .....		93
Report: Evening Forum for Exposition and Communication of Young Researchers		
Report: Study Meeting on the Recent Developments in Numerical Simulation —Precise Prediction Methods for Multiphase Transportation Phenomena—		
Call for Papers for The 2nd JWS-KWS Joint Symposium of Young Researchers		
<b>Calendar of Event</b> .....		96
<b>Society Announcements</b> .....		97
<b>Society News</b> .....		100
