Welcome to Sendai! ................................................................. SATO S. Yutaka 3
Essay
Connection with Welding Technology, Encounter with Persons, and After This .......... NOI Shingo 5
Let’s Join Together, Engineers!
Rapid Estimation of Fatigue Strength Based on Dissipated Energy Measurement .......... SHIOZAWA Daiki 8
SAKAGAMI Takahide

Technical Information – Special Issue –
ISMA Project Theme 46 –Common Fundamental Study on Friction Based Welding–
A Preface ................................................................................. FUJII Hidetoshi 13
Outline of Research & Development in ISMA Project Theme 46 ....................... FUJII Hidetoshi 14
Three-dimensional Visualization of Material Flow During Friction .............. MORISADA Yoshiaki 18
Stir Welding by X-ray Radiography .............................................. FUJII Hidetoshi
Fundamental Study on Technological Method to Improve Tool Life on Friction Stir Welding by Tool Design ................................................. IKUTA Akihiko 22
Development of a Numerical Model for Friction Stir Welding by Using Particle Method ................................................................. MIYASAKA Fumikazu 28
Simulation of Friction Stir Welding Based on Particle Method and FEM .......... SHIBAHARA Masakazu 31
IKUSHIMA Kazuki
MIYASAKA Fumikazu
Linear Friction Stir Welding of Medium Carbon Steel ........................................ AOKI Yasuhiro 36
FUJII Hidetoshi
A Class in Joining & Welding – Application Examples Learned from the Basics to the Advanced Level –
Weld Cold Crack Susceptibility and the Prevention of Cracking ...................... KASUYA Tadashi 41
Up-to-the-minute
The 10th International Seminar and Conference on Advances in Resistance Welding and Mechanical Joining ........................................ SAWANISHI Chikaumi 52
Spot Light
Egg of Welding ....................................................................... TANAKA Keigo 55
WELNET for Young Members
The 3rd young researcher group seminar and visitation in 2018 ........................ SAWANISHI Chikaumi 58
Calendar of Event ........................................................................... 60
Society Announcements ........................................................................... 61
