JOURNAL OF THE JAPAN WELDING SOCIETY
Vol.91 No.4 June 2022

The Address by the President in General Meeting .................................................. Saida Kazuyoshi 3
Essay
Reviewing Passed 40 Years ................................................................................. Koga Shinji 5
Let’s Join Together, Engineers!
Deskill and Efficiency Improvement of 9%Ni Steel Welding ......................... Kitagawa Yoshihiko 7
Technical Information – Special Issue –
The Latest Welding Skill Transfer

A Preface ............................................................................................................... Fujita Yoshihiro

Practical Use of AR Welding Simulator in Vocational Training .................... Ikeda Takayuki 13

Welding Automation with the Skills of Welders Digitized
by High-precision Motion Sensing

Skill Transfer of Welding through Virtual Reality Training System ............ Ohyama Junji 29

Development of Multimodal VR Welding Training System
applying Cognitive Cybernetics

A Class in Joining & Welding – Application Examples Learned from the Basics to the Advanced Level –
IoT Solutions at Welding Factory .................................................................. Komatsu Takamichi 34

Point Lesson of Experiments
Experiments for Evaluating Critical Condition for Ductile Cracking ............ Shoji Hiroto 41

Up-to-the-minute
Report on 28th Symposium on “Microjoining and Assembly Technology” .......... Matsushima Michiya 45

Spot Light
– My History for Welding – ........................................................................... Kubo Takahiro 48

WELNET for Young Members
Report of WELNET Evening Forum at JWS National Meeting in Spring 2022 ........................................... 50

Calendar of Event .................................................................................................. 51

Society Announcements .......................................................................................... 52

Quarterly Journal of the Japan Welding Society Vol. 40 No.1 2022 Contents .............................................. 54
